

# TEC LUX 400 GLOSS & MATT

## Tec Lux 400

Monomeric PVC Film with an ultra-clear solvent-based acrylic adhesive, laminated on a one-sided clay-coated silicone paper liner. It has excellent dimensional stability and increases image brightness. The UV absorbent PVC Film is suitable for protection of digital prints and images to avoid influence of UV, dirt and humidity.

### FEATURES

- Improves outdoor duration
- Use on flat & slightly curved surfaces
- Short to mid-term, indoor & outdoor

### APPLICATIONS

- Window graphics
- Point of Sale
- Real Estate / Billboards
