

TEC LUX 600 OVERLAMINATE – ANTI-GRAFFITI

Tec Lux 600

Polyester film with an ultra-clear solvent-based acrylic adhesive, laminated on a one-sided clay-coated silicone paper liner. The perfect transparency of the film and adhesive ensures colour enhancement and the best image brightness.

The high resistance of the polyester film to solvents allows successful use as an anti-graffiti film.

FEATURES

- Excellent Ant-Graffiti film
- Use on flat & slightly curved surfaces
- Mid to long-term, indoor & outdoor

APPLICATIONS

- Window graphics
- Point of Sale
- Real Estate / Billboards
