	700 x 1000	350	245	50
Espresso	700 x 1000	270	189	100
	700 x 1000	350	245	50

Billions of single-use coffee cups used and thrown away each year were a recycling dead end until James Cropper developed ways of giving them a second chance. The result is a world first coffee cup recycling plant opened by HM The Queen in 2013 and, now a range of fine papers.

Six coffee-themed colours contain not only 50% reclaimed cup fibres, but the essence of environmentally conscious paper making.

Suitable for most printing and finishing methods.
